MAIN STREET OVERCROSSING ON I-15 TO CLOSE FOR BRIDGEWORK

Hesperia – The California Department of Transportation (Caltrans) will continue work on the Interstate 15 Main Street Interchange and will require closures tonight, October 12, and possibly tomorrow night, October 13, 2004. The Main Street Overcrossing will be closed for bridgework from 9:00 p.m. to 5:30 a.m. along with the northbound I-15 ramp.

Detour:

Westbound Main Street traffic will be detoured to Mariposa Road south then right on Joshua Street to US 395. Eastbound Main Street traffic will detour onto southbound I-15 to Joshua St. and turn left to Mariposa Rd. and continue to Main St. Detour signs are available to assist motorists with the closure.

The work is part of the ongoing project to improve the interchange at Main Street. The project is expected to be complete in summer 2005.

Caltrans appreciates your patience during this closure and wants to remind everyone to pay attention, stay alert and always **SLOW FOR THE CONE ZONE.**
